

Application for HSU Geology Field Camp Scholarship Cascadia GeoSciences

Name (first, last): _____

Email: _____

Phone: _____

Educational Institution; years in school: _____

Sponsor's name (your advisor): _____

Sponsor's phone: _____

Sponsor's email: _____

Write an abstract (4,500 character max) and submit with this application. Consider abstract guidelines available at <http://cascadiageo.org/scholarship/forms>

- The abstract should state why you are attending field camp.
- Discuss why you are interested in geology (i. e. list any "eureka moments"). Why are you inspired?
- Concisely state what you plan on doing with your skills developed at field camp.

Have you ever received a Cascadia GeoScience scholarship/ grant before? _____

What for: _____ When: _____

If you received other Cascadia GeoSciences funding, please include your final report or progress report.

Include a brief resume, including education, positions held, publications, and accomplishments relevant to your qualifications to attend field camp (1,500 character max).

Each application must include two letters of reference from advisors. Advisors should confirm the applicant is in good academic standing. Make sure your advisors submit their letters before the deadline and before you submit your application.
